Common Sense, just not Common Knowledge

Alert
Lockdown
Inform
Counter
Evacuate

ALICE is **NOT** a linear, progressive response.

- PA announcement
- Gunfire, screaming, loud noises
- Phone call
- Text or emergency notification
- May SEE the aggressor

= Lockdown

- Traditional lockdown procedure PLUS
 - Barricade the door
 - Spread out within the room.
 - Do not huddle.
 - Look for alternate escape routes (another door/window)
 - Do NOT open the door for anyone.
 - Dial 911 when it is safe to do so

Use personal and environmental items to secure the door.

Use items to keep the door from opening and place large items in front of the door as obstacles.

= Inform

Pass on real time information

- A Continuation of ALERT
- Call 911 or text others as soon as safe to do
- Who, what, where, when, how

Real time information may help

- Know when or if it is safe to switch responses
- Choose the safest evacuation route
- Stay calmer or less anxious

= Counter

- **Interrupt process** of shooting accurately:
 - Create Chaos
 - Shout, Yell, Scream
 - Throw things
 - Sprays
 - Move, Move, Move
 - Create barriers
 - Divert attention
- ☑ Numerical Superiority

What is 'COUNTER'?

= Counter

It is **NOT** ...

- Fighting

It is...

- Taking back Control
- Last Resort
- Personal Choice

=Evacuate

The preferred response

- Occupants will have the authority to leave the building when they deem appropriate
- Removes as many potential targets as possible
- Evacuate to a pre-determined rally point
- Removes need for concerned others to come to scene

=Evacuate

The preferred response

- **Every law enforcement officer feels this is the best option**
- May not be like a traditional fire drill
- May be a window, a door that nobody uses, connector doors
- **ALICE Evacuation should be even faster than a fire drill**
- Permission to run and zig-zag down hallway to survive
- Run to the rally point, palms raised running as fast as they can

What can you do to help ensure a safe school?

- See Something Say Something.
- Do not prop open doors.
- Do not open doors for others to get inside.
- Report safety concern immediately to staff / office / principal / SRO
- We all have a stake in keeping OUR school safe and secure.
