DATED MATERIAL INSIDE

Community College of Allegheny County (CCAC)

Since its founding in 1966, CCAC has flourished, becoming the educational powerhouse it is today—a nationally renowned two-year college dedicated to serving all members of the community. From groundbreaking student success initiatives to top-ranked academic and career-based programs, CCAC continues to be the college of choice for nearly one out of three adults in the Greater Pittsburgh metropolitan region.

Every year, more than 25,000 students enroll at CCAC, taking advantage of nearly 160 degree, certificate, diploma and transfer programs while thousands more access noncredit and workforce development courses. Comprising four campuses and four neighborhood centers, as well as other offsite locations, CCAC is honored to have one of the largest veteran student populations in the state and takes pride in ranking among the nation's top community colleges for the number of individuals graduating in nursing and other health-related professions.

CCAC graduates have transferred to the nation's most prestigious colleges and universities, have obtained the most academically challenging and competitive degrees and can be found at leading companies, organizations and institutions throughout the country. CCAC alumni are actively engaged in every sector of society, providing leadership to scores of economic, scientific, civic and philanthropic entities both in the Pittsburgh region and around the world. Visit ccac.edu to learn more.

CCAC Nondiscrimination Policy

The college does not discriminate and prohibits discrimination against any individual based upon race, color, religion, national origin, ancestry or place of birth, sex, gender identity or expression, perceived gender identity, sexual orientation, disability, use of a service animal due to disability, marital status, familial status, genetic information, veteran status, age or other classification protected by applicable law in matters of admissions, employment, services or in the educational programs or activities that it operates.

Individuals with disabilities who are requesting accommodations should contact the Supportive Services for Students with Disabilities office at the campus that they will be attending. This publication is available in alternate formats. Questions may be addressed to the Civil Rights Compliance Officer.
