Reading Enrichment

Math Enrichment

Writing Enrichment

Let an Omega Learning® Center *certified* teacher help your student stay sharp this summer with one of our engaging K-12 tutoring programs. Our highly qualified teachers fill skill gaps, teach valuable study skills, and help your student build vital critical-thinking skills. At Omega, instruction is customized based on your student's goals. In our AdvancED accredited learning environment, students benefit from Omega's exclusive OutpAce curriculum.

Summer Reading Program

Help your student discover the love of reading this summer! Omega's certified teachers help students develop and improve the fundamentals in reading. Our highly effective summer program includes sight words, fluency, vocabulary, comprehension, grammar, language arts, and writing skills.

Summer Math Program

Math can be fun! Omega's certified teachers help students develop and improve fundamental math concepts including basic calculation skills, math facts fluency, word problems, and math reasoning. Students build vital critical-thinking skills needed to apply their knowledge to more advanced, multi-step math concepts. This program will allow your student to preview their fall math curriculum and get a jump start on the upcoming school year!

Summer Writing Program

Let a certified teacher help your student develop and improve their fundamentals of writing this summer. Students benefit from customized programs, multi-sensory instruction, and a variety of writing topics. Our highly-effective summer writing program includes structural and creative writing skills, research, writing fluency, grammar, punctuation, editing, and handwriting.

Summer Program Packages:

16 Hour: \$795

32 Hour: \$1440

*Customizable programs available

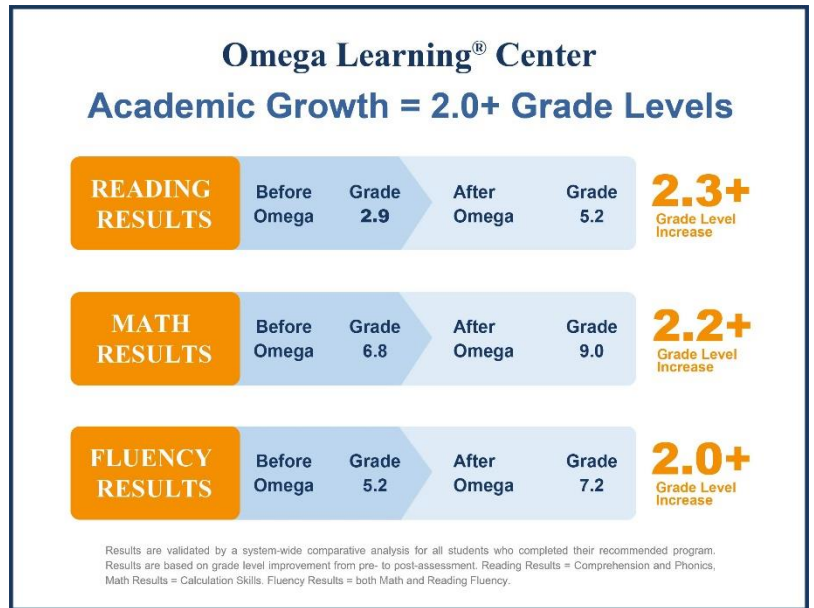

Register for any Summer Program Package and receive Omega's learning style assessment, MyStudyStyle®. Bonus: Upon program completion, summer program students receive a FREE "Back to School" Academic Assessment!

Accelerated Academic Growth

Omega Learning Center students are in the top percentile! Experts say most students are struggling this school year because of the curriculum and testing changes in your school.

At Omega, students benefit from enrichment-based learning and the strengthening of important critical-thinking skills.

Schedule your Woodcock Johnson IV academic assessment today!
