ADDITIONAL INFORMATION

Middle School Students

Prior to enrolling in an acceleration course, students must have completed any pre-requisite course(s). For example, a student who wishes to complete Algebra II during the summer must have successfully completed Algebra I. **STUDENTS WILL NOT RECEIVE HIGH SCHOOL CREDIT FOR COMPLETION OF ACCELERATION COURSES.** The student must have a computer as well as internet access to complete the course. Additionally, the student is responsible for the cost of the course.

High School Students

The student must receive prior approval from the respective subject department chair or Curriculum Leader. In addition, students must have scored proficient or advanced on the Keystone Algebra I exam. **CREDIT TOWARDS GRADUATION IS NOT GRANTED FOR COMPLETION OF ACCELERATION COURSES.** Grades earned are not computed in the GPA/rank. The student is responsible for the cost of the course.

Students should submit course selection sheets with the planned sequential math course and recommendation from their current math teacher as if the summer option does not exist. Participation and registration in an acceleration course is voluntary and the responsibility of the student/parent. CV Virtual Academy registration information will be available in the Student Services Department and posted on the high school website. School counselors will make necessary scheduling changes following receipt of successful completion verification in August.
