

Pennsylvania Health Screening Program

In order to remain in compliance with the Pennsylvania Public School Code, students in the Chartiers Valley School District will have the following screening examinations performed:

GROWTH SCREENING is completed for all students in Grades K through 12. A growth screening letter will be sent home to all parents of students in Grades K through 12. This will include the Body Mass Percentile which is used as a guideline to help assess whether a person may be overweight or underweight. More information about Body Mass Index for children and teens can be found at:
http://www.cdc.gov/healthyweight/assessing/mbi/childrens_bmi/about_childrens_bmi.html

VISION SCREENING is completed for all students in Grades K through 12. This screening is not a substitute for a comprehensive eye examination by an eye care specialist. If your child fails this screening, a referral will be sent home.

HEARING SCREENING is completed for students in Grades K, 1, 2, 3, 7 and 11. This screening is not a substitute for an audiology examination by a health care provider. If your child fails this screening, a referral will be sent home.
