

Parents: Register to View Your Child's Activity

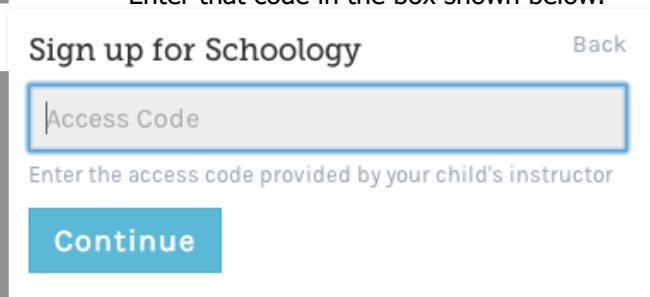

1. In your browser, navigate to www.schoolology.com.
2. In the top right corner of the screen, click the Sign Up button.

3. Select Parent from the options.

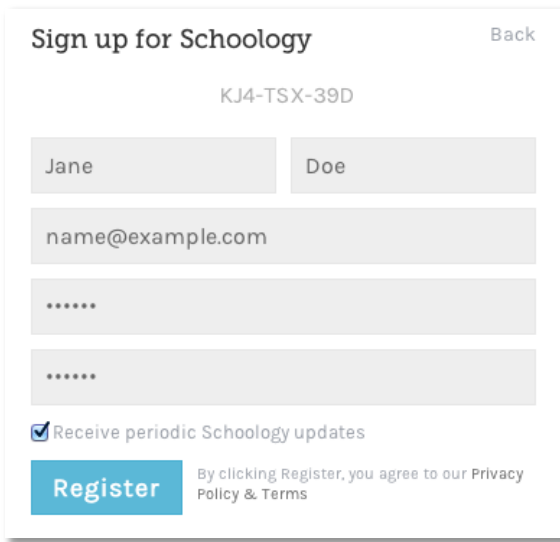

4. Your Parent Access Code (a different parent access code for each child) is listed on the attached letter. Enter that code in the box shown below.

Parents set up their own account but will use the same access code. In other words, there is one access code per child but it may be used by more than one parent.

Parents: Register to View Your Child's Activity

5. Enter your name (not your child's name), email address, and password. Once you log in, you'll be able to browse your child's activities by selecting your child's name from the top right dropdown.

Receive periodic Schoolology updates

[Register](#) By clicking Register, you agree to our [Privacy Policy & Terms](#)

You also have the option to associate additional children using Schoolology with this account. To associate additional children, click on the arrow that faces down on the top right of your Schoolology account, select Add Child, and enter the Parent Access Code for your other child/children. Parents will use a different access code for each child. The access code(s) are included in this mailing.
